History

Maroochy Beach Gymnastics Association Inc. originated in 1975 as the *Sunshine Coast National Fitness Club*, operating within the premises of the Alexandra Headland Surf Club with a mere 50 athletes. Membership rapidly increased over the ensuing decade, compelling the Club to relocate to its current site in 1985. In 2002, funding from the Department of Sport and Recreation granted an extension to the facility. In 2012, funding from the Jupiters Casino Community Benefit Fund was granted to assist with the purchase of additional office suites. The facility and all contents were destroyed in a devastating fire on 29th May 2017. The Club operated from temporary premises at Kunda Park commencing June 2017, retaining the majority of its' 750 members. Through Club fundraising efforts; generous donations; grant funding and community support, the rebuilt state-of-the-art venue officially opened at the Wises Road, Maroochydore site on 21st April, 2018. The benefits of gymnastics

Gymnastics is a fun & exciting sport for everybody, regardless of age, gender or ability. It is conducted within a safe environment & is the perfect activity to prepare children for long-term participation in sport. Gymnastics provides plenty of variety and helps develop life skills & attributes including balance, coordination, goal-setting, concentration, cooperation, confidence, self-esteem, strength and flexibility.

What can gymnasts and parents expect from MBG?

All coaching staff will abide by and practice professional and ethical standards provided by Gymnastics Australia Code of Ethics. Gymnasts can expect the dedication of their coach to the task of developing their gymnastic ability to their maximum potential. No guarantees can be made regarding the level to which a gymnast will rise. Training programs will give your child the opportunity to maximise their own potential if correctly followed with effort, persistence and determination.

Progression within our Gymnastics Programs

New athletes commence within an age-appropriate class.

Under 6's is a progressive gymnastics program for boys and girls aged 12 months to Prep-aged students. Diverse learning themes encourage children to explore and play whilst enhancing their balance, coordination and providing a head start in life to confident body movement. Parent participation is involved in Explorer and Adventurers classes, not only to instill confidence within your child but also to assist them to follow instructions & share equipment. Pocket Rockets and Gym Star classes do not involve any parent participation, thus encourages independence and self-discipline.

Levels Gymnastics Programs are based on the National Gymnastics Development Curriculum and suitable for boys and girls in Grade 1 at school to 16 years of age. Gymnasts progress at an individual pace as they master required skills safely and with correct technique. Our Levels Programs challenges athletes to establish individual goals, provides opportunities to attain their full potential, enjoy rewarding experiences, develop a positive attitude to physical activity and sets the foundation for any sport or life itself. Gymnasts may opt to compete at in-house events. Our Levels Programs are separated in to girls (WAG) and boys (MAG) programs:

- Girls learn the fundamental skills of Vault; Uneven Bar; Balance Beam and Floor apparatus
- Boys learn the fundamental skills of Floor apparatus; Pommel Horse; Rings; Vault; Parallel Bar; and Horizontal Bar

In Level 1, children progress through skills required within Australian Level 1 curriculum. Gymnasts learn basic fundamentals such as forward rolls, handstands, cartwheels, glide swings etc. As gymnasts master these skills safely and with correct technique, they may progress through Levels 2 – 4, pending vacancies within the program.

Progression through the Levels Program is dependent upon not only skill level, but also vacancies within the program. Our coaching staff are very experienced and will extend gymnasts to their full potential, regardless of the level in which the child is enrolled.

Competitive Gymnastics is via coach invitation and offered to gymnasts displaying aptitude and natural talent. Gymnasts learn the advanced levels of the National Development Curriculum with the goal of representing the club at regional, state, national and international competition.

PROGRAM PATHWAY:

The enrolment fee is deducted from the gymnast's subsequent term fee, providing they resume within the class. If a gymnast does not remit an enrolment deposit by the due date, their position within the class will be forfeited. Should the child not attend class in the term immediately following re-enrolment, the enrolment deposit is forfeited.

Assumption of Risk

Participation in gymnastics carries an inherent risk of injury like any other sport or physical activity. Many gymnastics activities require inversion (turning upside down) of the body which in turn carries the risk of head or spinal injury. This risk is greatly controlled in a supervised class with a qualified and experienced coach. Parents should be aware of this risk prior to accepting membership.
