

How to Arrange a Meeting with a Coach

Maroochy Beach Gymnastics Association Inc.

At Maroochy Beach Gymnastics, we value positive and respectful communication between families and coaching staff.

Parents and guardians are welcome to arrange a meeting with a coach to discuss things such as:

- gymnast progress and development
- goals and pathways
- attendance or participation
- competition preparation
- general program questions
- wellbeing or support needs

To ensure coaches are available and able to give families their full attention, meetings must be arranged through the club office.

How to request a meeting

To arrange a meeting with a coach, please either:

- visit the club office in person, or
- email: **office@maroochybeachgymnastics.com.au**

The office will contact the coach to confirm available times and will respond to you as soon as practicable.

Important information

- Coaches should not be approached during classes or while actively supervising athletes, except for immediate safety matters.
- Meetings are intended to support constructive and respectful communication.
- We ask that all discussions remain calm, courteous and focused on supporting the gymnast.

If you have an unresolved concern

If:

- your concern relates to a formal complaint, or
- you are not satisfied following the meeting

please follow the club's **Complaints & Grievances Procedure**.

Key principle

Open and respectful communication helps us best support every gymnast and family.
